D = Clinched District Berth

LD = Leading for District Berth

E = Clinched Eastern Conference berth (unless it moves up to districts)

LE = Leading for Eastern Conference berth

NOTE: Lourdes and Shenandoah Valley are the only teams sure of playing in the Eastern Conference (although Northwestern Lehigh is almost sure). The other "E" teams could move up to districts. Because Wyalusing and Susquehanna finish with unbeaten teams, Carbondale is a very good bet for the II North. Twin Valley is 16th in District 3 Class AAA and Schuylkill Valley is tied for 10th in AA.
